

SIDE BY SIDE SAFARIS

SKINCARE AND BODY THERAPY

Notice

There must be paid a once off payment per wellness day at 120€(Euro). If you are a group and 2 therapists is needed, the once off payment per wellness day will be 2 x 120€ = 240 Euro.

The female therapist has her own wellness clinic in the local town, so all treatments must be pre-booked for her to close the clinic and come to our lodge to service our guests.

If pre-booked wellness treatments are canceled/rescheduled/changed by the client less than 14 days before the safari, full compensation to our wellness female therapists has to be paid (treatments + once off payment).

How to do the wellness booking:

For each person, please print this document, and with a pen fill in the client name and put crosses in the boxes selecting the treatments you would like. When finish filling in all information, please scan the document, and send it back to us by email.

How many days on your safari would you like wellness treatments?

The exact days of the treatments will be arranged so the treatment-days will match the safari program. Normally all wellness treatments are done by midday when the hunters and families are back from the morning hunt, so the treatments will not effect morning or evening hunts. If more than one day of treatments are booked, we will align it with some days in between.
